

Smartwell® Beverage Dispenser

Give your clients and team members an experience to remember. The cutting-edge, eco-friendly technology of Smartwell® aligns with your business – providing users with custom beverages on demand.

Delicious, custom beverages are just a touch away!

WATER YOUR WAY

Still or sparkling water with single or mixed fruit flavor; electrolytes, vitamin C or caffeine enhancements.

ECO-FRIENDLY

Multiuse pouches reduce waste by providing up to 300, 8-oz. beverages per pouch.

HEALTHY HYDRATION

A healthy alternative to sugary beverages; provides filtered water, with natural flavors and enhancements, all with zero calories.

BOTTLES SAVED

Green Ticker™ counts the number of disposable, single-use bottles served without the waste.

TOUCH SCREEN INTERFACE

Create beverages, view nutritional information and maintain units all from the touch screen.

Get smart about
flavored drinking water
at elkay.com/smartwell.

ONLINE PORTAL

Staff can conveniently monitor units, maintain notifications and manage orders – all from computers, smartphones or tablets.

SMART REFILL

Connected unit tracks usage and sends reports when flavors, enhancements, filter and CO₂ need replacing.
